

SURVEY RESPONSES 2017

In May 2017, the NCFA issued a survey to its members, and the wider public, in order to inform its ongoing advocacy and policy work. The responses are set out below, and elements of the feedback have since been integrated into the NCFA's Pre-Budget Submission (2017) and media releases / interviews.

The survey was compiled by the NCFA Steering Group, and lead by Olwen Dawe and Angela Dorgan. This survey overview was compiled by Olwen Dawe.

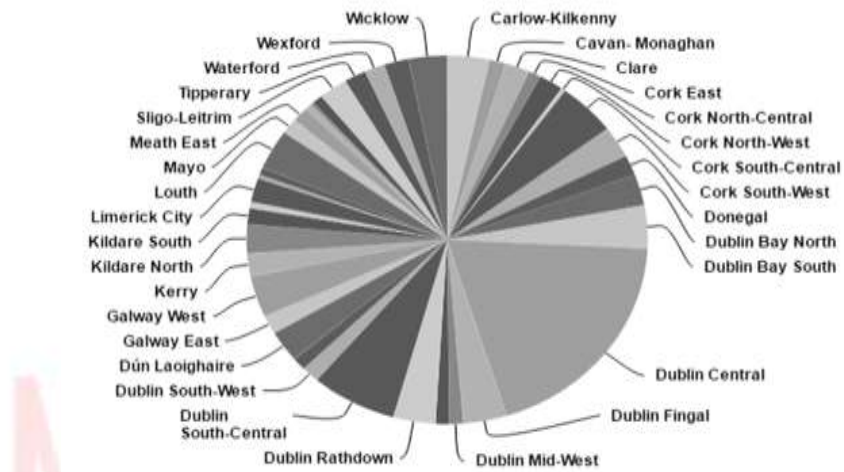

Our thanks to Angela Dorgan for providing access to the software utilised in this survey.
